

WAPOA Mission Statement

Stewardship of the natural world throughout the Whitefish area and Pine River Watershed is the mission of the Whitefish Area Property Owners Association. The Association shall lead and work with citizens, groups, associations, and government units to conserve and improve the quality of our waters, shoreland, fishery, wildlife resources, and general welfare for the benefit of present and future generations.

Dear

Your membership makes it possible for WAPOA to accomplish this important mission. Please feel confident that your financial support is appreciated and only used for these purposes. We have information included below to help you determine your financial support and to keep our records up to date. Thank you for your consideration.
